

SOCIAL MEDIA POLICY

Overview of Footsteps Social Media Policy:

Footsteps as an organisation recognises and embraces the numerous benefits and opportunities that social media offers. While students may engage, collaborate, and innovate through social media, they should also be aware that there are some associated risks, especially around issues of safeguarding, bullying and reputation.

The purpose of this policy is:

1. To encourage safe and appropriate use by students.
2. To inform students and families of the age restrictions on setting up accounts.
3. To reduce incidents of on-line bullying.
4. To reduce incidents of on-line exploitation, identify the definition of social media & age restrictions:
Social media is a broad term for any kind of online platform which enables people to directly interact with each other. It allows people to share information, ideas and views.

The vast majority of popular platforms such as Facebook, linked in, snapchat, Tik Tok, Youtube, twitter etc are available for those aged 13 and over.

Roles, responsibilities, and procedure

Students should:

Be aware of their online reputation and recognise that their online activity can be seen by others including parents, teachers, and other students.

Be aware that any inappropriate use of social media in school may result in disciplinary action and can lead to problems for themselves and others.

Be responsible for their words and actions in an online environment. They are therefore advised to consider whether any comment, photograph, or video that they are about to post on a social networking site is something that they want parents, teachers, and other students to read.

School is responsible for Informing students regarding the safe use of social media

Informing students of the standards of behaviour expected of them

Giving advice on the use of social media; students should be aware that content uploaded to social media is not private. Even if restricted to 'friends', there is still capacity for it to be re-posted or distributed beyond the intended recipients. Therefore, students using social media should only create accounts appropriate to their age and conduct themselves with in a respectful manner.
